## **Special Message to Shihan**

If you are a Shihan Trainee, Shihan-Dai or Shihan, you are expected to attend the Friday night Shihan meeting at the Blue Lotus Winery and Texas Mead Works with the Dai-Soke and Soke-Dai.

The hombu will discuss some important items that all Shihan need to be aware of. This is the time that you, as a Shihan, have the opportunity to speak-up on the topics that the Dai-Soke will cover.

The information covered at the Shihan meeting will pertain to the operation of Juko-Kai.

The first hour will pertain to dinner, the second hour will entail the actual meeting. Casual clothes, wine or mead will be available for purchase.
